ability to work in teams					<input checked="" type="checkbox"/>
independent thinking					<input checked="" type="checkbox"/>
appreciation of ethical values					<input checked="" type="checkbox"/>
professional development					<input checked="" type="checkbox"/>
time management skill					<input checked="" type="checkbox"/>
judgement					<input checked="" type="checkbox"/>

discipline				<input checked="" type="checkbox"/>
the link between theory and practice				<input checked="" type="checkbox"/>
Is there any break in your study? If yes, state the reason for the break	No, I haven't had any breaks in my study			
What are the best aspects of your programme? (Optional)	Coding classes and group presentations + practicals, i really enjoyed and learnt a lot from there, which sparked up my interest in pursuing more			
What aspects of your programme could be improved? (Optional)	One aspect of my program that could be improved is the incorporation of more practical, hands-on experiences and real-world application of the knowledge learned in the classroom. This would better prepare students for the challenges they may face in their future careers and provide a more well-rounded education.
